Alexis Park all Suite Resort, Las Vegas NV*

## **Welcome to Sin City Anime 2022!**

Sin City Anime welcomes you to the exhibitor hall experience. We are the Anime convention of Las Vegas. Our brand began in 2020, but Covid conditions rerouted the dates to November 2021. With the help of the community and our fans, we were able to survive the pandemic and return as one of the first fandom conventions back in Las Vegas.

Sin City Anime is a community based convention, focusing on entertainment, fandom inclusion, and hospitality. Our event is ecstatic and fun, and thrives on being a positive festival environment that encourages positive activity and growth.

Coming out of the pandemic, we reached a little over 1,000 attendees, and in the next 2022 year we are looking forward to a closer to normal year, alongside our new goal of reaching 2,000 attendees this year!

The Exhibitor Hall is opening up with around 12,000 sq. ft. dedicated to our exhibitor hall within Alexis Park. This year's map contains 50 Vendor (10x10) spaces, and 30 Artist (6') table spaces.

The artists and vendors are combined in our hall, with the vendor booths taking up the center of the hall, and the artist tables cover the wall sections of the hall.

The exhibitor hall will come with Wifi access, codes will be distributed to artists and vendors.

Always feel free to reach out to us if you have any questions or concerns on any part of the process.

**Best wishes from the exhibitor team, and we look forward to working with you!**
